NEVER TOO LATE . . . Jaycees Jim Ackroyd (under car) and Bill Faulds say it's never too late to put seat belts on vehicles. "You don't have to have a 1963 Super-Whammo," they say. Just wheel the crate into the Jaycee-sponsored seat belt clinic at Sepulveda and Hawthorne on Saturday or Sunday, June 29 or 30, and the Jaycees will do the rest.

Safety Lane, Seat Belt Clinics To Be Repeated

A two-day repeat of the May safety check and seat belt clinic have been scheduled for Saturday and Sunday, June 29 and 30, it was announced here yesterday.

The June event will be held only at the Bank of America parking lot, Sepulveda and Hawthorne, sponsors report.

The free vehicle safety check lane will be open from 9 a.m. to 6 p.m. on each of the two days, and the Junior Chamber of Commerce-sponsored seat belt clinic will be conducted adjacent to the safety lane.

Seat belts will be installed by Jaycee members for \$6 each, according to Jim Ackroyd, vice president and safety chairman for the group. The baby belt, including shoulder harness, which proved popular at the May clinic, will be available again for \$9, he said.

Repeat performances of the

safety check and seat belt clinic were scheduled because of the large number of persons who complained they were unable to visit the locations a month ago.

Sponsors of the safety check lanes is the Torrance Traffic Safety Council under the chairmanship of the Rev. Hugh R. Percy, rector of St. Andrew's Episcopal Church.
